

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF NEW YORK

DISH NETWORK, LLC,

Case Action No.: 1:21-CV-05730- AMD-RML

Plaintiff,

LETTER

-Against-

786 WIRELESS WORLD, INC. 786 ENTERPRISES,
INC., RANA M. AFZAL, and DOES 1-10,

Defendant(s).

Hon. Magistrate Judge Levy,

The defendants I represent were to appear at my office on February 17, 2023 at 3:00 PM.

They did not show as of 5:00 PM and I did not hear from them.

I therefore request time to file a motion to be relieved as attorney.

I think is it premature for renewing request for a default as there are future discovery dates.

I advised plaintiff's counsel yesterday as to what occurred.

Respectfully Submitted

David H. Perlman
